

GOSPEL BRACELET INSTRUCTIONS

The bracelet consists of 5 different colored beads held together with a leather/suede strap.

What colors to use?

Gold/Yellow, Dark/Black, Red, White, Green

What do they represent?

The **Gold** bead reminds us of heaven.

The Dark bead reminds us of sin.

The **Red** bead reminds us of the blood of Jesus.

The White bead reminds us of a clean heart.

The **Green** bead stands for being a growing Christian.

To make:

Cut the leather/suede into 15" strips. This length is extremely important.

Make a knot in the strip at approximately 6" and then begin adding the beads.

Place one of each of the 5 beads listed in the order above onto a leather/suede strip.

After all 5 beads have been secured, tie another knot to hold beads in place.

Please place completed bracelets in Ziploc bags in quantities of 50.

Pray for the leaders and children who will be receiving these bracelets!

PRAISE WAND INSTRUCTIONS

The Praise Wands consist of plastic straws with four or five different colors of 12 inch-long ribbons, stapled inside.

To make:

Cut 5 brightly colored ribbons into 12" lengths. We recommend allowing kids to use a ruler to measure each string.

Staple the ribbons together at one end.

Then place the end with the staple into one end of the straw, and staple tightly.

Please make sure the ribbons are stapled tightly to the straw so that the children will not catch their fingers on the staple. Give the ribbon a tug to be sure it is stapled tightly and does not come out of the straw.

As each praise wand is finished, perhaps that person could praise the Lord for something in his/her life!
